

## **Greyhound Pets of America Needs Your Help!**

Greyhound Pets of America/Tampa Bay is a 501c3, non-profit, and all volunteer based organization dedicated to finding homes for former racing greyhounds, or greyhounds failing to qualify for racing. A Florida Senate Committee bill is currently active in Tallahassee that raises the possibility of our organization being faced with absorbing a very large amount of greyhounds in an extremely short period of time. Greyhound Pets of America/Tampa Bay is committed to working with our track, its kennels, and racing owners to ensure that each and every greyhound not intended for active racing will be taken into our program for placement if/when this critical need arises. In order to do this, GPA/Tampa Bay will be incurring costs well above and beyond the scope of what it takes to maintain our daily operations and care of the dogs already in our program. Every fundraiser, every meet and greet, and every opportunity to raise awareness of this noble and gentle breed has taken on a significantly higher level of need for participation, and donations are critically needed and appreciated. Monetary gifts are tax deductible, and will be used for the sole purpose of caring for, and placing these greyhounds in permanent homes. Monetary donations may be sent to:

**Or email us at [info@greyhoundpets.com](mailto:info@greyhoundpets.com)**

A volunteer will contact you, and be happy to assist you and answer any questions about how you can help us help these wonderful hounds.

***Greyhound Pets of America/Tampa Bay was founded in 1996, and works primarily with our local track, Derby Lane, and their kennels on roster. We adopt approximately 200 greyhounds annually into loving homes, and we work with qualified and responsible groups in non-racing states to supply them with greyhounds for adoption. Between our kennel and network of foster homes, we are responsible for the care of an average of 120+ greyhounds every day, year round.***
